

A Design for a Process to Create a Ministry Action Plan (M.A.P.)

STEPS IN THE PROCESS	Define Core Values (What are the essentials of our beliefs?)	Diagnose Present Situation (Where are we now?)	Discern Vision (What are we called to be?)	Describe Mission (What are we called to do?)	Determine Goals and Objectives (What are the measurable goals and action steps needed to live out what we are called to be and do?)	Delineate Roadmarks (How will we know we have reached our goals and objectives?)
	Core Value #1	Issue #1	Called to be . . . #1	Called to do . . . #1	Goal #1 Goal #2 Goal #3	Roadmarker #1
	Core Value #2	Issue #2	Called to be . . . #2	Called to do . . . #2	Goal #4 Goal #5	Roadmarker #2
	Core Value #3	Issue #3	Called to be . . . #3	Called to do . . . #3	Objectives . . .	Roadmarker #3
RESULTS FOR EACH STEP	Values we want to preserve and remember:	Key Issues that need to be addressed:	Vision Statement	Mission Statement:	S.M.A.R.T. goals and objectives:	What we will have achieved Next Year The Year after next The Following Year
